5th December 2023

Dear Sir/Madam,

Wincanton Town Council wishes to express its disappointment to learn of the closure of the Wincanton branch of Boots in March 2024.

The store and its prime location is a vital resource to Wincanton Town Centre for many residents and will be a huge loss to the community. It is the only chemist within the Town Centre which residents rely on for their prescriptions, medication supplies and expert advice.

The Town Council has been alerted to residents who have expressed their frustration in losing this valuable resource. The closure of the branch will not only result in the loss of local employment, but also severely affect essential services available to residents.

Wincanton Town Council urges Boots to seriously reconsider the decision to close this vital store and save it for the Wincanton Community.

Yours faithfully

Emma Curtis
Town Clerk
